

FITTING INSTRUCTIONS FOR RYCO CABIN FILTER RCA214C.
VOLVO S40 & V40
(Filter is located underneath glove box / footwell)

1. The cabin air filter is located underneath the glovebox in the footwell area.
2. Remove the trim cover in the footwell area located underneath the glovebox.
3. Behind the trim the cabin air filter housing will be easy to access. Press the clip on the corner of the lid, pull down and remove.
4. Slide the old cabin filter out carefully to avoid any accumulated debris from being spread around. Clean the area and insert a new filter making sure it is in the right air flow direction. Refit all components in reverse order.
