

RYCO FILTERS

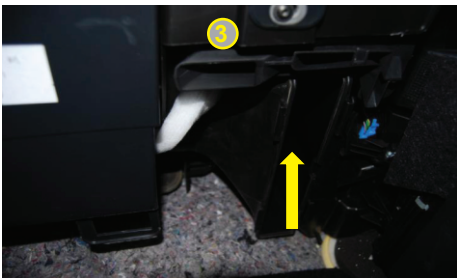

FITTING INSTRUCTIONS FOR RYCO CABIN FILTER RCA274C. AUDI A1 Also fits: SKODA Roomster, Fabia & VW Polo

1. The filter housing sits underneath the glovebox on the right hand side of the footwell. Once housing has been identified, slide the plastic braces towards the centre of the lid to release it as indicated in the picture above.

2. Filter housing lid released.

3. Remove dirty filter from housing carefully as accumulated debris may come loose. Clean housing of possible objects like leaves and insert new filter in the right air direction as indicated on the filter.

4. Refit all components in reverse order.
