

FITTING INSTRUCTIONS FOR RYCO CABIN FILTER RCA308P.

ALFA ROMEO Giulietta (940)

1. The cabin air filter is located in the passenger footwell behind the centre console side trim. For better working space, slide the passenger seat all the way back.
2. Remove the side trim, the cabin air filter housing lid will be visible but not fully accessible. Remove the cover tray located below the glove box unit. It is secured by 3 plastic clips.
3. Take the cabin air filter lid and slide it down to open the housing. Take the old cabin air filter and slide it out carefully to avoid any accumulated debris from spread around.
4. Clean the area well and insert the new cabin air filter in the right air flow direction as indicted on one of the sides of the filter. Refit all components in reverse order.
