

RYCO FILTERS

FITTING INSTRUCTIONS FOR RYCO CABIN FILTER RCA234P.

RENAULT MEGANE SER2 X84

(Filter is located behind glove box)

1. The cabin air filter is located behind the glove box in the passenger side towards the centre console. The glove box will have to be removed to access the filter housing.
2. Open the glove box and unscrew all four top screws then remove the side trim that faces the door. Once the trim is removed unscrew the last two screws and pull out the complete unit.
3. The housing will be seating towards the centre console. Identify the lid and pull out (the filter will slide out with it) carefully to avoid accumulated debris to spread around.
4. Clean area and insert the new filter making sure it is in the right air flow direction. Refit all components in reverse order.
