

FITTING INSTRUCTIONS FOR RYCO CABIN AIR FILTER RCA211P/M KIA CERATO YD. ALSO FITS: HYUNDAI ACCENT MD, I30 GD & KIA RONDO RP

The cabin air filter is located behind the glove box on the passenger side. To replace follow the instructions explained on this sheet. Open the Glove box compartment and look for the retaining clips on the inside of the top corners). Twist and pull out, then release the (See Pic 2) strut by pressing tip and pulling it out. (Pic 3)

Once the glove box compartment drops all the way, the cabin air filter housing will be easy to spot (Pic 4). To remove the lid press clips on both edges as shown in (Pic 5).

Proceed to remove the old cabin air filter and fit the new one making sure the housing is clean of loose dirt and that the filter is placed in the right air flow direction. See side of filter for indication. Refit all components in reverse order.
